# Our Partnership

Commercial Services Kent Limited (CSKL) (company no. 05858177) is a trading style of Commercial Services Group Limited (company no. 11735631) based in Kent and we provide compliant routes to market for our customers, supporting the delivery of public services and helping our communities thrive.

Within CSKL, we have our Procurement Services Vehicles Brand which consists of dedicated Account Specialists to provide our customers with fleet and vehicle procurement solutions.

The Procurement Partnership Limited (TPPL) are a private limited company offering a range of services to the Public Sector, including specialist fleet and vehicle procurement solutions as well.

We started our partnership with TPPL in 2017 with our Vehicle Daily Rental Framework launch which has been renewed and is currently live (TPPLCSKL03). CSKL is proud to continue our professional relationship with TPPL in order to enhance our Vehicle Solutions for our customers.

*The Procurement*  
PARTNERSHIP

# Vehicle Leasing

Our Vehicle Lease services allow you to have a brand-new vehicle with annual or monthly payments, with a complete, hassle-free, maintenance package including:

- A dedicated team of fleet experts to help with your vehicle specifications.
  - Quotes provided from a selection of approved framework suppliers.
  - Demos of many vehicles offered.\*
  - Diesel / petrol / electric / hybrid options available.
  - Contract can run from 24-60 months, with annual mileage allowance to suit your organisation's needs.
  - First class customer care team to resolve any issues.
  - Full 12-month road fund licence.\*\*
  - All routine servicing (as defined by the manufacturer).\*\*
  - Annual MOT.\*\*
  - UK breakdown cover.\*\*
- \* Dependent on availability and vehicle requirements  
\*\* Standard lease package

You can also choose to have a lease vehicle without maintenance or in some cases add on additional options. Leasing with us you can be confident in value for money, increasing efficiencies and improving your overall fleet management.

# Vehicle Daily Rental

Our Vehicle Daily Rental framework will provide you with compliant solutions if you are looking to hire a vehicle. Verified suppliers on this framework have been selected to fulfil all of your unique fleet requirements and needs.

Through our collaborative approach with TPPL, members are able to obtain fully supported procurement solutions, with the added value of product specific technical expertise to help you scope product and procurement specifications. By blending Public Sector values with Private Sector ethos we can maximise our members' purchasing power, not just to save money, but also to improve quality.

This framework covers:

- Cars and Light Commercial Vehicles Rental
- Minibuses, Buses, and Coaches with any number of seats rental
- Medium commercial vehicles rental up to 12.5t, sweepers up to 18.5t, heavy goods vehicles up to 44t
- Cars and light commercial vehicles long-term and flexible rental, long-term and flexible rental, 365 days to 4 years (or longer)
- Car clubs and pool car schemes, including travel management systems and packages

# Vehicle Purchase

If you want to buy any type of vehicle, minibus, tractor, mower or piece of grounds maintenance equipment outright, we can quote from our nominated suppliers via our compliant frameworks. Once the order has been placed, we keep you informed with regular updates on its progress and then arrange the delivery.

Here are some top reasons to purchase through us:

- Easy ordering process.
- One point of contact – doing the work on your behalf.
- Regular updates on process of order.
- Compliant route to market.
- All of our frameworks are free to access.

Our fleet frameworks covering the purchase of a wide range of vehicles from cars, light and medium commercial vehicles through to bus and coaches as well as larger specialist fleet and HGVs. In addition to fleet assets, the solutions also provide access to a number of ancillary supplies of fleet related goods and services, including but not limited to; Telematics, Van racking conversions, EV Charging infrastructure, Micromobility solutions. In addition members are able to access a range of waste supplies such as Skips, Roll on – Roll off (RoRo) containers, wheeled bins, waste containers and food waste caddies.
